## 2020 REGIONAL & PROVINCIAL CURLING PRESENTED BY: **Saskmilk**

Each provincial championship will consist of eight teams scheduled as two pools of four teams in round-robin play format. The top two teams from each pool shall advance to the championship bracket. The eight teams participating at the provincial championships will include the host school and seven other teams that have qualified through the regional championships.

The tie-breaking criteria to determine placement in pool play and placement into tie-breaker games shall utilize the Skill Based Team Ranking System (SBTRS). For more information on the tie-breaker and the Saturday schedule of games please refer to the curling activity page of the SHSAA website <http://www.shsaa.ca/page/show/992559-curling>

Regional championships will be held February 28 - 29, 2020. The Regional championships will consist of a six or eight team double knock-out format leading to an 'A' event and 'B' event qualifier to the provincial championship. The only region that may require an A-B playoff to complete the double knock-out competition is the provincial host region. The A-B playoff will only be contested if the provincial host has not won either the 'A' or 'B' event. In the regions without an A-B playoff the 'A' event winner will be considered the Regional champion.

Districts should declare their representatives to the Regional Championships and contact the regional commissioners and SHSAA office by Sunday, February 23, 2020.

Regional commissioners are asked to contact both the SHSAA office and provincial commissioner by Sunday, March 1, 2020 with the names of the schools and team members which have advanced to the provincial championship.
