WCYHA Board of Directors
Washington County Youth Hockey Association
2330 S. Main Street West Bend, WI 53095

Dear WCYHA members,

I am submitting this letter of intent asking for your support as I run for the position of Volunteer Coordinator beginning with the 2019-2020 hockey season.

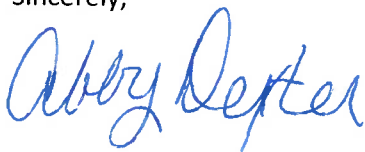

My husband Clint and I have two boys in our association. Next season, Corbin will be a first year Bantam and Layton will be a second year Squirt. Over the past 7 years, we have been active members of the association helping in various ways around the rink including maintenance, game volunteer and fundraising events. In addition, to volunteering at the rink I participate on the community and parent advisory group for Boys and Girls Club Kewaskum location. With this work, I am able to advocate for the needs of children and families to help align resources across the Kewaskum School District.

In my professional career, I am the Director of Business Intelligence and Data Warehousing for Children's Hospital of Wisconsin. In my role, I am responsible for overseeing a team of talented individuals who serve healthcare providers and administrators to ensure they have the information needed to provide the best and safest care to patients and families. I am very comfortable balancing a complex schedule of meetings, events and activities across multiple locations on a daily basis.

Since I have been a member of the organization for many years, I feel I have a strong understanding of the important role volunteers serve in organization. Volunteers make it possible for us to host tournaments, have a clean and well maintained building, have smoothly run games each weekend, operate concessions and support other activities. I believe my skills can help keep volunteer schedules organized and make it as easy as possible for our members sign-up for dibs.

Thank you in advance for considering me for the position of Volunteer Coordinator.

Sincerely,

Abby Dexter
