Race Day Format:

Registration will be 100% online and will close Saturday @ Noon. Start lists will be sent Saturday afternoon to the host Team. No in person registration will be allowed.

Race field will be limited to first 100 racers total to help host Hills/Team manage their capacity numbers and race day efficiency. **If you sign up, please ensure that you show up as the number of racers is capped.** – number could change based on the season and Covid situation

Teams will be required to provide their racers with bibs prior to the race.

Race events will be single style events i.e. only GS or SL unless the host Hill/Team can have dual course set prior to running. Race order youngest to oldest split by sex (Boys in the AM / Girls in the PM) or (Girls in the AM / Boys in the PM) we will flip flop each weekend to be fair. Inspection time will be limited to 30 mins. New course will be reset during the break between the sexes. Racers are expected to be in position and complete their 2 runs back to back.

TCM (*Team Captains Meeting*) to be held prior to each race within the COVID guidelines provided by the Host Hill/Team. Coaches will then speak to their athletes about race expectations. TCM will be held at the conclusion of each race to discuss any DNS/DNQ.

Teams/Parents will need to pay close attention to ongoing changes with COVID and be aware that the schedule could change with little notice.

Host Hill/Team will need to provide Covid policy prior to race day. Teams will need to brief their racers and parents prior to arrival.

NJRS will continually communicate all information that is provided by the Host Hill/Teams.

Championship qualifications – racers will need to participate in **2** regular season races to qualify for an award. - **UPDATE**
