

Adding the Cen10 Website to Your Smartphone Homepage

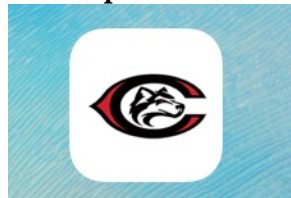

You can upload the CENTENNIAL BOYS BASKETBALL website to your IOS or Android smartphone and it will appear as an App on your phone.

1. From a Browser on your smartphone enter: coronacentennialboysbball.com **OR** .org (either one will work)
2. The application displays on your phone.
3. Look for the following symbol after the application has launched:

4. Tap on the above symbol on your phone.
5. A screen appears with various icons.
6. Scroll to the left and look for the icon that reads **“Add to Home Screen”**
7. Tap on **“Add to Home Screen”** icon
8. **“Add to Home Screen”** page displays; notice the word **“Add”** in the top right corner of screen.
9. Tap **“Add”**
10. Centennial logo now appears on your smartphone.
11. Tap the icon

12. The Centennial Boys Basketball Website now Launches with one tap from your phone.
