Tournament Formats & Rules for Single Day Tournaments

Pool Finishes / Tiebreakers

Pool finishes will be determined by the following criteria:

For 3-team or 4-team Pools

1. Match Percentage (if 3-way tie, skip to #3)
2. Head to Head **Match Result** (NOT head to head points)
3. Set Percentage
4. Point Percentage
5. Flip a Coin

In cases of ties, there will be no playoff games. Ties will be broken using the above order. This process will also be used to determine the bracket seeding between all 2nd or 3rd place teams among pools, when necessary. (For example, when the top 2nd place team goes to gold, and other 2nd place teams go to silver)

Formats

- All matches will be played best 2 out of 3 and score will start at zero.
- There is no cap.

General Rules & Penalties

- All scoresheets must be correct and completed in full. A 5-point penalty can be charged to the working team on their next match for improper or incomplete scoresheets, at the discretion of the official and/or gym supervisor.
- A certified, rostered adult is required to stay at the score table when their team has work duty. Only the players working the match are to be seated at the table. NO phones, music players, or other electronic devices at the score table. Violation of this rule will result in a 5-point penalty to the working team for their next match.
- USA Volleyball requires a certified, rostered adult to perform the R2 duties for teams playing in the 14U and younger age groups.
- The Palmetto Region has a No Tolerance Policy on screaming, yelling, or making any derogatory remarks to ANY official (R1, R2, Scorer, or Line Judges). Keep in mind, they are human, and many times they are kids. Penalty is immediate dismissal from the playing site, no warning. Region teams may face sanction to participate in future tournaments. Coaches' improper behavior can lead to sanctions from the region for coach and/or team.
- Each team must bring at least 1 printed roster which shows USAV member numbers. You will be asked to present a roster to the official on your court prior to your first match. Rosters must be correct and only people shown on the roster can participate, including coaches and parents. Write-ins are not acceptable without written approval from Jimmy Peden. SportsEngine or AES rosters are acceptable, provided they include the team members' USAV numbers.
