Dear West Yorba Linda Little League Families,

I have some exciting news to share with you. After much thought, Placentia Little League has decided that it is in the best interest of its families to create new playing opportunities. To that end, we are proud to announce that beginning in spring of 2019, Placentia Little League will merge with both West Yorba Linda Little League and East Fullerton Little League.

Reasons for this change include declining player enrollment, smaller competition pool, and other baseball opportunities. After many hours of work and negotiations, Placentia Little League has the opportunity to address these concerns by merging with West Yorba Linda Little League and East Fullerton Little League to provide a stronger brand for all of the families in Placentia.

Families that reside within the school boundaries of Brookhaven, Glenview, Golden, Van Buren, and Wagner will now be in West Yorba Linda Little League's boundary. Families that reside within the school boundaries of Sierra Vista, Tynes, Morse, Topaz, Rio Vista, Melrose and Ruby will now be in East Fullerton Little League's boundary. Little League International is still ironing out some of the details and boundary issues but we are cleared to proceed for the 2019 spring season.

We are excited about this merger and feel it is in the best interest of all three leagues in our effort to provide a great brand of baseball for all involved and to keep Little League relevant in the City of Placentia.

Please help us in welcoming the families of those from Placentia Little League into our wonderful league so that their transition is seamless.

Sincerely,

Brian Gladue  
President  
West Yorba Linda Little League
