Attack Volleyball Club Friends & Families,

Attack Volleyball Club (AVC) is closely monitoring the news surrounding the Coronavirus. USA Volleyball is regularly consulting recommendations from the Centers for Disease Control (CDC), State of Illinois, USA Volleyball's guidelines during this unprecedented time. USA Volleyball is Attack Volleyball Club's governing body.

On Friday, March 20th, Governor Pritzker issued Executive Order 2020-10 requiring all Illinoisans to stay in their homes to prevent the further spread of COVID-19.

As a result of the 'stay at home' order, as an organization, AVC & USA Volleyball have decided to pause all activities until the COVID-19 situation betters through the directives of the CDC, State of Illinois and the federal government.

We strongly recommend that you take all possible precautions to protect yourself during this time. Please consult the [CDC](#) and [State of Illinois](#) for specific safety measures.

AVC & USA Volleyball will continue to assess the situation and keep you informed as we determine next steps. We appreciate your cooperation and support at this time as we navigate this situation and work to ensure that our athletes and all those involved in Attack Volleyball Club remain safe and healthy.

Thank you,

Pam Campbell
President & Director, Attack Volleyball Club
