

NC National Qualifiers

Listed here are the teams which have qualified for National Championship Tournaments. Through the D1, D2, and grade-based state championships, and those who qualified at the NC Super Regional.

Our D-3 State Tournament is in Charlotte May 17-19. There is still time to enter. All teams participating in this event receive bids to the D3 Nationals. Teams that participated in The D2 State Tournament and did not qualify, may enter the D3 State Tournament, and qualify for D-3 Nationals.

Thanks to all our teams. We have enjoyed an increase in memberships, and an increase in the NC number of participating teens.

I hope you will all consider The National Tournament. It is a terrific experience for players, coaches, and parents. There is really no debating that the AAU Nationals are the best youth basketball tournaments in the World!

Greensboro, NC is the site of the 13/u D1 + D2, 7th grade, 10/u D1 and D2, and 4th grade Nationals in early July.

National Schedules are posted at www.ncaauboysbasketball.com and is published in the AAU Basketball Journal, as well as www.aausports.org.

Check this list! You may have qualified and don't realize it!

These results have been certified to The National Office, and all teams listed here can begin The National Tournament entry process Now! Be sure to meet the entry deadlines.

Good luck to All! NC Teams always perform well at Nationals – and we are always in the Top one or two districts in Total National Entries – Lets keep The Tradition Going.

Thank you for your participation in The Real AAU-

Rod Seaford
NC Boys Basketball Director
