Our 2021-2022 Season will begin as normal as possible on September 1<sup>st</sup>, 2021. All 2019-2020 Sanctioned Clubs will be honored as returning clubs for the upcoming season. This year will mark our 11<sup>th</sup> year as an organization and these monthly newsletters will become a new staple in our communication with our club and individual members. We navigated through some unpredictable circumstances the last 18 months, made some extremely hard decisions, and have entered some hardships. As an organization, we will continue to strive to work for new ways to develop and create opportunities.
