

2025 South Dakota Amateur Baseball State Tournament - Aspen Park Guide

**** ALL PLAYERS, VOLUNTEERS, COMMISSIONERS AND UMPIRES PLEASE TURN BEFORE THE WATER TREATMENT PLANT TO ACCESS YOUR DESIGNATED PARKING AREAS. THANK YOU ****

First National Bank Field at Aspen Park

Aspen Park is located at 917 Aspen Park Drive. First National Bank Field is located at the southernmost end of the facility. We would like to use all the parking areas around FNB Field for the fans of the tournament. Please read below for your parking assignment. Thank you.

Volunteers: All volunteers please park in the areas designated for volunteers. These areas are located to the north of Field G. North and east of Field F and on Field F. When you enter the park look for the swimming pool on your right and the Water Treatment Plant on your left. You will turn left prior to the Water Treatment Plant. There is a gravel path that will take you to the east. Your parking area will be directly behind the plant to your right. You may also park on Field F. The first field you will see on your right is Field G. The Field next to it is Field F. You can park around the outfield fence of Field F, or on the field in the outfield (weather permitting). You will enter the park through the Pass Gate located between Fields D & E. Please pick up a lanyard to wear during your shift.

Players: All players please park in the areas designated for players. These areas are located to the north of Field G. North and east of Field F and on Field F. When you enter the park look for the swimming pool on your right and the Water Treatment Plant on your left. You will turn left prior to the Water Treatment Plant. There is a gravel path that will take you to the east. Your parking area will be directly behind the plant to your right or on Field F. The first field you will see on your right is Field G. The Field next to it is Field F. You can park around the outfield fence of Field F or on the field in the outfield (weather permitting). You will enter the park via the Pass Gate located between Fields D & E.

Commissioners: You will park to the west of Field E near the RV designated for the Commission. You will also enter the park north of the Water Treatment Plant. Follow the gravel path and take your first right. This path is also gravel. This path will lead you between Fields F and G. Once you go past the concession stand on the right, you can park your vehicle on the other side of the path near Field E. You will enter through the Pass Gate located between Fields D & E.

Umpires: Umpires will park near the batting cages east of Fields B & C. When you enter the park look for the swimming pool on your right and the Water Treatment Plant on your left. You will turn left prior to the Water Treatment Plant. There is a gravel path that will take you to the east. Follow the path all the way to the south end of the facility. You will go past Fields G, F, E & C. Once you get to Field C the Umpire Room will be on your right. Please park your vehicle behind Field B. You will be roughly 50-100 feet from the Umpire Room. Please use the room on the left. The room on the right will be used when multiple crew members are on site. The room is air conditioned and will have beverages and snacks for you. You can leave your gear in the room during your games. We will lock the room while games are in progress.

Teams: Field G will be used as a warmup field. You can also use Field E if you choose. Please do not use Fields B, C & D due to their proximity to FNB Field and Field F as it is being used for parking. The home team will have two batting cages between Fields B & C and use the 3rd base dugout at First National Bank Field. The visiting team will have two batting cages between Fields C & E and be in the first base dugout of First National Bank Field.
