INTRODUCTION

Executive Director | Fuzzy Steeno

“ We are a player-first club and we are very much a community lead organization that is comprised of many local clubs. Sharing monthly updates of the club’s on-goings is one of the best way to fuel our culture. We are very proud of our players, and like a family, we like to brag about their development. Regardless whether we win or lose, we like to share because we understand that growth and success can be found in both triumph and defeat. Success can come in so many ways: the use of a skill, having a great game building out of the back or a player that signed at a college, a player that is valedictorian or in the local play. We showcase the success of the players that help at a local charity or supported the local high school team. Success comes in so many forms, this newsletter is here to bring them to you, as we brag on our great community. ”

A MESSAGE FROM THE IMPACT BOARD OF DIRECTORS

President: Becki Prigg
Vice President: Jim Brandon
Secretary: Casey Dodd
Treasurer: Dave Benson
At Large: Brion St. Amour

Hello and welcome to 2023, which puts us right in the middle of our fourth year as an organization. The Board of Directors has been hard at work providing oversight to the overall operations of the organization as well as planning for the future with the advice and guidance of our Executive Director, Chris Steeno. We have so many exciting things happening in 2023, including the first time Impact Soccer will travel overseas to train with the Manchester United Football Club coaches in London, England. We held our Annual General Meeting for the club on Sunday, January 22nd. (See the links for the recorded meeting and presentation, if you missed attending online.) Our Member Clubs have enjoyed a collaborative relationship since we came together to form Impact, and we have high hopes that our family will continue to grow and strengthen into 2023 and beyond. If you happen to see any member of the Board at a practice or game, please come say hello! We are here to continue to build a strong player first organization that makes each member proud. #ALLIn

A message from **THE** **DIRECTOR OF** **COACHING**

As a club we are excited that winter training is in full swing! It is awesome to see our players working hard and preparing for the Spring season.

Many of our coaches and directors were able to attend the United Soccer Coaches Convention in Philadelphia in early January. This was such a valuable time to learn new strategies, refresh, and connect with other professionals in the sport. We had a great trip and are looking forward to getting outside with our teams soon!

PLAY HEART SMART

We have a great opportunity for our athletes to have a cardiac screening that will be done this summer by a group called Play Heart Smart. This is a cardiac screening that provides a blood pressure check, limited heart ultrasound, and an electrocardiogram (EKG). Cardiac screening is not something that is included in routine annual sports physicals. The goal of this is to check for congenital abnormalities of the heart that usually produce no symptoms, but can cause significant risk to our young athletes. Play Heart Smart is making it convenient to Impact by traveling to our location at RC on June 17th. The screening is very quick (10-12 min) and you will have results mailed to you within 1-2 weeks.

Register Here:

There are a limited number of spots available.
