Late arrivals will be placed at the end of the batting order.

Rostered Players and Coaches

Players can only be rostered on one MSBL Team.

No “Hired Gun” rule: In order for a player to be used in a game, any rostered MSBL player must have played in at least 70% of the games the team has played to that date (70% rule uses the first 10 games for the calculation and goes into effect on the 11th game). Violation to this rule will result in a forfeit and possible expulsion from the league.

-Exception #1: Games missed due to injury or illness will not count in the “games played” calculation (70%).

-Exception #2: House players that are rostered as fill-ins will be eligible to play, regardless of 70% rule.

-Exception #3: Travel players playing up, rostered as fill-ins will require notification and approval to MSBL coordinator and opposing manager before game in order to play as fill-in.

MSBL RULES

MSBL Rules

All teams should have a copy of the MSBL Rules with them at every game. The rules are on the MSBL website. Just a reminder that the league follows IHSA Rules and the MSBL Rules document is league specific rules. Teams should also carry a copy of the completed MSBL roster and birth certificates of all players to every game.

MSBL Tournament Rules

Any ties entering the tournament (Regular Season) will result in the following: 1) Head to Head 2) Runs Allowed 3) Coin Toss

Any ties entering the single elimination will result in the following: 1) Record 2) Runs Allowed 3) Higher Seeded Team in Tournament

Games are scheduled for 7 innings in length, but may be shorter because of the time limit. Game time limit is **one hour and forty-five minutes**; no inning will start after that time, but the bottom half of an inning may be played, if the home team trails the visiting team. The tournament director may determine completion time in questionable circumstances. Some rescheduling may be required in the event unfinished games are causing a backlog on the fields.

For elimination round games, if the score is tied after the 7th inning, the Speed-Up Rule will apply. The Speed-Up Rule will be based on California rules: for each half inning played beyond the 7th inning, the inning will begin with one out and one runner on second base (the last player called out in the previous inning will be the base runner).

There is no time limit, and consequently no speed-up rule, for the Championship games. Though slaughter rules will still be in effect.

Umpires and tournament officials will keep the official game time.

MSBL Tournament Rules

Pitching Restrictions:

- 9 Outs per game
- 18 Outs per day*
- 30 Outs per tournament

****Should weather dictate that teams play more than two games in a day, the Tournament Director reserves the right to modify the per-day innings maximum.***
