Rockies tickets are perfect for client or employee appreciation, team-building events, and more. If you know a business that might be interested in purchasing Rockies tickets for the 2019 season, ask them to purchase through Legacy High School Baseball.

Help Get Legacy Baseball to Coors Field

- **FREE Tickets.** Companies will earn a complimentary ticket or voucher (similar to a gift card) for each ticket purchased. These can be used for the same game or future games.
- **Many Choices.** We work with each business to customize a package that includes the right game, seats, and pricing. You can choose a price range from \$15-\$40 per ticket; over 70 home games; and four different seating sections.
- **Support Legacy Baseball.** For each ticket sold, Legacy Baseball earns up to \$19.00 in support of our program.
- **Game at Coors Field.** If we sell enough tickets, Legacy will get to play another Colorado high school team at Coors Field!
