A NOTE ABOUT OUR PRIZE PACKAGES

Due to the late start to our season and the loss of a number of our tournaments, we published an initial list of prize packages that only guaranteed prizes to the 1st place teams. We also stated, however, that we would adjust our prize packages once we had a better idea of what we would be earning in Series fees from the tournaments that were played.

We are pleased to announce that we are able to supply prizes to the same number of teams as had been originally planned, albeit with some cuts. First of all, we eliminated all apparel this year. This is, after all, the Monsta Tournament Series, so we focused solely on bats. We also had to cut back on a few bats. That said, we are still awarding a total of 34 bats this season.

Thank you to all of the teams that contributed to the Series by participating in the invitational tournaments this season and we wish you the best of luck at your State Tournaments.
