1995 Rules and Format

1. 12 Players per team (13th optional)
2. 14 game schedule (7 double headers)
3. League Fee is \$201.00 -includes uniforms
4. Starting Date- Sunday, April 30th (regular schedule for Mother's Day)
There will be no games on June 4th, July 16th, or August 6th.
5. The "Forfeit Time" is 10:20 a.m. for the first game; 11:00 for the 2nd game
6. Minimum players: 9 players- when a 10th player arrives, he may be inserted at any time in the game, however, he MUST bat 10th. (Note: In the best interest of the league, opposing captains should allow substitutions if a team does not have 10 players to start the game).
7. All trades must be reported to the committee. The deadline for all trades is before the start of the 7th game.
8. Replacement Players:
 - A. Captains, and players selected in the first three rounds of the draft may be replaced with an equal quality player, provided the substitution has been approved by an outside arbitrator by the previous Thursday night. The maximum any player may miss during the regular season is 3 weeks.
 - B. Players selected in the 4th round or below must miss 2 weeks before the team is eligible for an equal replacement (the substitute is still subject to an outside arbitrator's approval).
9. 2 Pinch runners must be agreed upon by both captains prior to the game. The pitcher also may have a pinch runner if necessary. When a subsequent runner is required, that runner is chosen by the opposing captain from the remainder of the bench.
10. The baserunnig rule is as follows: In order to avoid accidents, a runner MUST slide in order to avoid collisions. If the fielder is blocking the basepath, then the runner may do what he has to do (this is not open house to barrel him over). When the umpire decides that there was unnecessary contact initiated by a baserunner, that player may be ejected from the game.
11. The injury rule is as follows: If a player is injured during a game, he may be replaced by one of his teammates (even from another slot). This rule applies only when there are no other substitutes available that have not been used.
12. FIGHTING RULE: ANY PLAYER THAT THROWS A PUNCH DURING A GAME WILL BE THROWN OUT OF THE LEAGUE. IF THERE IS RETATLIATION, THE OTHER PLAYER WILL BE

SUSPENDED FOR TWO GAMES.

13. Cheering for a team is encouraged, however, there will be no heckling the opposing team during play.

Playoff Format

Five teams will make the playoffs based on their regular season records. Throughout the playoffs the team with the higher seeding will receive choice of field and their choice for first at bat or "last licks" in the 1st, 3rd, and 5th games.

Round one consists of the 4th and 5th teams playing a "best of three" series to determine which team will play the team with the best record (the "4-5" series is played all in one week). The other semifinal game will be the 2nd place team against the 3rd place team. The winner of 2 out of three will advance to the World Series. The World Series will be best out of 5.

URGENT: PLEASE HAVE YOUR LEAGUE FEES PAID IN FULL BY SUNDAY, APRIL 30, 1995.

The league would like to congratulate the 1994 Champions one more time!!
