#### **Proceedings**

Updates sent via email for month of November. A motion was made by Michelle Goodman to approve the October 2024 board meeting minutes. Sue Newton seconded the motion, with no board members opposed.

#### **Program Updates**

The Board received the following updates:

##### **Governance and EVAA Board updates – J. Miron**

- Hosting over 170 teams and representing Eastview Travel Basketball across 5 sites.

##### **In House Update – T. Madden**

- In-House season started on 11/2 and things have been going pretty well the first two weeks. Ended with over 500 players K-6th Grade.
- Storage Locker Liquidation Sale was a success. We sold all of the extra shirts and made \$440.
- 3rd-6th Grade teams will be formed in the next few weeks and hopefully we will have practice schedules earlier than usual thanks to Michelle and Jeremy.

- Jerseys for 3rd-6th grade have been ordered from South Metro.
- Sent emails to Coach Kasper and Coach Olsen asking if they would be interested in running the Winter Skills Sessions for the 1<sup>st</sup> and 2<sup>nd</sup> Graders. Still waiting for their responses.
- SSYBL meeting is tomorrow night. We will have 30 or possibly 31 (3rd-6th Grade) teams in the SSYBL.

### **Girls Travel Updates – E. Eggers**

- St. Thomas Girls Basketball game: January 4<sup>th</sup> for EV girls and families. Tami did a great job planning this event!
- Photo links should be delivered later this week for Erica to send out to everyone. Photo night went well.

### **Boys Travel Updates – B. Newton**

- All Boys teams are rostered in MYAS Register Play (thanks Sue!)
- Travel Tournaments: Duluth and Des Moines - Duluth brackets are out, Des Moines brackets will be out 11/17
- Midnight Madness Boys High School Event: Monday, November 25<sup>th</sup> - all players and coaches for Travel and In-House

### **Facilities /Scheduling Updates – M. Goodman**

- Concerns at Hope, The Well, Eagan Community Center, and Bethel Rock in players not following rules. If teams continue to not be respectful or follow the rules, they will have practice times removed.
- We are waiting on district gym times, so until we get those, we can't do round 2 of the travel schedules. My goal will be to get those out as soon as possible.
- We are also trying out something new and having Avario schedule inhouse 3rd-6th grade also.

### **Player Development – R. Holberg**

- Shirt quantities and sizes obtained and orders placed with apparel vendor. Kudos to Rachel Swanson.

- Future Considerations:
  - Include size column on public trackers
  - Lock public trackers at close of program and remove links from website
- Next steps:
  - Shot club participants recognized on Friday, January 24<sup>th</sup> (Girls Varsity Game)
  - December next steps
    - Select prizes for monthly challenge winners (most consecutive swishes, most consecutive free throws, most consecutive 3 pointers)
  - January next steps
    - Communications Shot Club Awards night details to participants
    - Prep shirts for distribution
    - Social Media celebration and share collective results
- 2025 Goals: 1 Million Shots

  - Concessions went great at every location.
  - Refs were all on time. I didn't receive any complaints about officials.
  - We had some great games.
  - We had some issues at EVHS.
  - BVHS and Hope were very warm
