

# Michigan Blackhawk Tournaments

## Coaches Information Packet

**Check In:** You will need to check in and provide your official tournament roster, proof of insurance, and the signed Waiver of Liability with each player's parents having signed. You will not be allowed to play without submitting this information and if you cannot produce these items by 5 minutes past your scheduled start time, you risk forfeit. If you sent these ahead of time, you should have received confirmation, but we still need you to check in to let us know of your arrival. This should go quickly. You can check in at the tournament info tent (near concessions) near the basketball courts at Sherman Park or at the canopy between the fields at Brandon High School. These locations will also serve as the home station for turning in score cards, reporting home runs, and for any questions/inquires. Tournament officials will also be around the park throughout the tournament.

**Parking:** The High School Venues all have fully functioning restrooms and plenty of parking. Our JV Baseball field is located some distance from the parking lot so plan accordingly. We can accommodate ADA persons and just need notification so our staff can plan to help.

For the younger age groups, this event takes place right in downtown Ortonville parking is available on both sides of all streets as well as the lots indicated on the included map of the premises. All parking is available throughout the tournament with exception of Parking Lot 2, which CANNOT be used on Sunday from 8AM until 12:30PM, to accommodate their church services. Please notify your teams of this variance, reminders will be sent during the tournament! This lot is available all other times. Please note that parking is at your own risk and Brandon Township (Village of Ortonville) and Under the Lights tournament take no liability for vehicles on or near the premises. Please respect the premises, as many of these parking lots are owned by community establishments who generously allow us to use their space.

# Michigan Blackhawk Tournaments

**Home Run Recognition:** If the tournament includes individual home run recognition, which will be indicated on our website, each Home Run hit during play will earn a medal, which the players can wear with pride throughout the tournament (not while playing). HR with player names can be indicated on the scoring card and turned in at our tournament canopy, where the coach can collect the medals to be awarded to their player(s).

**Keep it Clean, Be Respectful:** The Brandon Township Parks and Recreation and Brandon School District are kind enough to allow us to use their facilities and we ask that you keep the dugouts and premises clean. Please clean out all trash and place in the provided receptacles before leaving. Especially in the downtown park, we are encroaching on personal residence and simply ask that you treat them and their property as you would your own.

**Concessions & Local Food:** We will have onsite concessions for your enjoyment. We will also be selling commemorative tournament T-shirts and other goodies. See the info tent(s) for more information. We lean into our community for their support to sponsor this event and would appreciate if you can lean out to visit their establishments. There are many sponsors for our organization which can be found at our website or by [Clicking Here](#).

Thank you again for choosing the Under the Lights Homerun Extravaganza Tournament and we wish you the best of luck! If you have any questions, please do not hesitate to contact us.
