President's Report

- The decision to cancel a game due to road conditions is made final by Age Director and/or WAHL Commissioner. It's not something coaches can decide.
- Groathouse Dasher Board
 - Due to some confusion, their board was not displayed this season. We will need to make sure it's displayed next year.
- Referees
 - They are being paid correctly.
 - Scott will bring it to Andy's attention that refs cannot touch players during a game.
- Contact Info for Coaches & Refs
 - Liz will add this information to the box at the rink in case refs don't show up for a game
 - On this note, RJ said we could set up Sports Engine to be more user-friendly when we need to contact someone. (eg. Scott could email all of the coaches from there)
- Lodge Nutrition has offered a fundraising opportunity if we're interested
- There have been some behavior issues from players during practices at the rink. Courtney has trained her staff to handle situations when they arise and Liz reported coaches have spoken to players as needed.

Coaches' Report

- New player from Arapahoe got registered - Heidi Finke
- New potential female coach - Natalie <last name unknown>

New Scoreboard

- New scoreboards have been installed and training sessions are being set up.
- Scott met with Toyota today and while they're not interested in anymore sponsorships this year, they would like to look into options for next season (possibly center ice)
 - They will display a couple of vehicles during HS State
 - Scott will invite them to the Annual Meeting for a photo op (not adequate time during State Tournament)

Club Survey

- The board determined they would like to send a survey at the end of the season to gather feedback. Lindsey can create a Google form
- Start thinking about questions we would like to ask
 - Ask age group
 - Do you like 4-game weekends?
