**Our Mission is to bring the Baseball and our local Community together, to honor the memory of past players and coaches through our acts of kindness and generosity; To raise funds and awareness through these communities in support of local families in need.**

### **Coaches,**

It's time once again to honor two of our fallen Showtime soldiers who meant so much to our Program and will forever live in our hearts.

Grant Hanson, a Showtime founder and long-time respected coach, lost his battle with Cancer and Matt Cossman, a five-tool player, loyal, dedicated program kid who lost his life to a medical overdose shortly after pursuing his college career.

Many of you have been with us since the Tournament's beginning in 2013. We have truly appreciated these relationships and you have made the tournament the success that it is today.

**Proceeds from this tournament go directly to families or organizations in our community that need assistance.**
