

Plymouth Babe Ruth is a non-profit organization that provides competitive baseball for every Plymouth kid age 13 to 16 years old. The average weeknight attendance at our three fields is well over 100 players and spectators.

On the weekends, we average 250 players and spectators at our fields.

Eastern Mass District / State Tournaments can have up to 500 players and spectators over the course of the event.

It is so important to create a positive experience for these kids and your commitment helps to make this goal easier. Merging our volunteer efforts and your generosity allows us to purchase new safety equipment, new uniforms and field maintenance supplies to make sure we offer a first-rate baseball program and many great memories for young baseball players in the town of Plymouth. We offer multiple sponsorship opportunities outlined below. Please contact us at Plymouth.Babe.Ruth@gmail.com for any sponsorship questions.
