

SPRAGUE YOUTH FOOTBALL

Dear Salem Community Members,

Sprague Youth Football has been a success bringing high level youth football to Salem since its formation in 2016. Sprague Youth Football is a non-profit organization operated by volunteers that supports, encourages and enables the student athletes in our community to enjoy the sport of football. We are committed to providing quality coaching and support that promotes teamwork, builds player self-esteem and increases knowledge and skill in a safe and positive environment. We work directly with the high school to build a successful feeder program. We are affiliated with the Tualatin Valley Youth Football Association and get to play other Salem area associations as well as associations outside of Salem. We currently provide K-2 Flag, 3-4th Grade Flag, 3-4th Grade Rookie Tackle, 5-6th Grade Tackle, 7th Tackle, and 8th Tackle.

I am needing support to help fund my participation. Sprague Youth Football is a 501(c)3 non profit organization and you can sponsor my participation and get a tax deduction. I am needing all funds collected by August 1st, if not sooner.

Required dues are \$350 for a tackle player and \$110 for a flag player. I greatly appreciate your willingness to support my participation.
