## Soccer Camps

**Recreational & Travel**

June 21-25	July 19-23
July 12-16	Aug 2-6

SYC is offering recreation and travel soccer camps for your avid soccer player this summer! Camps have half day and full day options and are open to players with birth years from 2005-2013. Camps will be held at Hoes Road Park.

Recreational camps will offer a fun environment where kids can strengthen their physical, mental, and technical skills in a recreational environment. In addition to engaging skill building games, campers will compete in our very own camp-wide World Cup Tournament and small sided games.

Our travel camps will provide daily individualized attention focusing on technical topics in the mornings. In the afternoons, focus will be on small group tactical work, focusing on daily themes that vary from passing, dribbling, defending, possession and shooting. The camp is perfect for motivated and dedicated players to develop their individual skill, game understanding, and love for the sport in an advanced and challenging training environment.

NOTE: SYC will follow all current COVID protocols in place at the time of camps.
