A Message from the SYC President

SYC's mission is to bring the benefits of sports to every family in the community we serve. One of those primary benefits is for our young athletes to learn how to be part of a team. There is no place for racism in sports, or on our teams, or in our club. There is no place for racism. Period. ~ Chris Spera, SYC President

Annual Meeting/Elections/Awards

Tentative Date: August 2020

JOIN OUR BOARD OF DIRECTORS

SYC seeks committed volunteers willing to contribute their time, energy and expertise to develop policy and promote SYC's mission. This is an exceptional opportunity to foster the growth and development of a local nonprofit organization devoted to youth sports and the community at large. Interested candidates must send an email summarizing your professional and/or personal experience and why you are interested in serving on SYC's Board of Directors. Email Laura Vaughn, Operations Manager at lauravaughn@sycva.com no later than July 31, 2020 in order to have your name placed on the ballot for the August General Annual membership meeting.

If the current guidelines prevent us from having an in person meeting in August, we will be holding a virtual meeting. You will have the option to submit a video of what you would like to say to the membership regarding your candidacy. It will be added to the ballot for members to view in addition to your bio.

Board Director Position Description

- Attend regular meetings of the Springfield South County Youth Club Board of Directors, which are each approximately two hours in duration. The board meets (12) times per year. Board members must be accessible for personal contact in between board meetings.

- Provide leadership to board committees. Each board director is encouraged to serve as an active, ongoing member of at least one committee. This requires a number of meetings per year plus individual committee task completion time. Current and past committees included Marketing & Social Media, Fundraising, Policy Committee, and Finance Committee.
- Prepare in advance for decision-making and policy formation at board meetings; take responsibility for self-education on the major issues before the board.
- Responsibly review and act upon committee recommendations brought to the board for action.
- In general, utilize personal and professional skills, relationships and knowledge for the advancement of Springfield South County Youth Club.

Thank you for considering how you could positively impact our club through volunteering for the Board of Directors!
