

Bell Bank Park (otherwise known as Legacy)
New Facility, New Relationship, New Instructions
One Legacy Drive, Mesa, AZ 85212

Bell Bank Park (otherwise known as Legacy Park) is a new facility in east Mesa. They are located just east of the Mesa Gateway Airport. They have volleyball courts that we could be using at times during the season. They are just opening and bugs are being worked out so please have patience as we work through them. There are restrictions and fees that the Arizona Region is not normally used to. Please read below carefully.

Restrictions –

- No Team Camps will be allowed. When teams are off they can gather inside in areas.
- No Outside Food – there are concession stands inside the facility. The players can bring a small lunch in their bag but no other outside food is to be brought in. The lines can get long so plan for food for the players accordingly.
- No HydroFlask type water containers. The heavy metal containers can cause problems with the wood floor. Please bring water in sealed top lighter water bottles.

Fees –

- Spectator Fees are \$5 per person. Tickets are to be purchased online prior to the event. There is no onsite ticket purchase. A link will be provided to purchase the spectator tickets.
- Parking Fees – there are no fees to park, at this time.

Parking areas

- Please plan to arrive early to park. With everyone arriving at the same time for multiple courts, it could take a while to get in and parked. There are also other sporting events that could be happening at the same time as well. We don't necessarily know the other events happening on our tournament days. Plan accordingly so that no one is late.
