PWSI RTP – PHASE IV

PHASE IV: FULL TEAM COMPETITIONS & LIMITED TRAVEL

Environmental Context. This phase will begin once the Virginia Governor moves Prince William County to Phase 3, the Park Authority approves the progression and a more complete understanding of safety relating to travel is realized. Phase 3 allows for groups up to 250 persons. Social distancing should continue to be observed whenever possible. Face coverings are required in the park for spectators and when not participating.

Full team training and league games are permitted. Away events with individual travel, including those requiring a hotel stay, are permitted.

Prince William Soccer remains in Phase IV, but with fewer restrictions than fall. Adherence to our guidelines is expected and appreciated. We continue to require proper reporting for all positive COVID-19 tests as well as potential exposures.

PRE-TRAINING RESPONSIBILITIES - AT HOME

- If you are sick, feel sick, or may be sick, **stay home!**
- Prior to attending any training event, each player should check his or her temperature at home, and refrain from participation if he or she has a fever (≥ 100.4 degrees F).

ARRIVING/DEPARTING THE FIELDS

- Participation in training and games assumes:
 - a) The player has not had any no close contact with a sick individual or anyone with a confirmed case of COVID-19 (see Appendix C).
 - b) The player has not had a documented case of COVID-19 in the last 10 days.
 - c) The player is not currently demonstrating or suffering from any ill symptoms (see Appendix A).
- Face covering is required when not participating or playing.
- Any player or coach who displays symptoms suggesting they are ill **will be prohibited from attending any team function.**
- A minimum of 10 minutes between sessions to allow for social distancing.
- Each group will be given a designated time to arrive and depart training.
 - Arrival - no more than 5 minutes prior to training.
 - Departure - no more than 5 minutes after training.
- Physical contact before or after training is not permitted.

PWSI RTP – PHASE IV

- Players will enter and depart the fields through the designated gate.
- Players and parents are expected to wear face coverings while not participating or in their vehicle.

TRAINING ENVIRONMENT

- Regular team and individual training, including scrimmages, without limitation but adhering to all social distancing where possible may can be conducted.
- Players should avoid physical contact with each other, including celebrations, handshakes, high-fives, etc.
- All activities that promote players standing in close proximity to one another (e.g. lines, multi-team transition games) should be avoided.
- Coaches can integrate into training environments for instruction purposes but should not be in contact with players.
- In the event of an injury, staff may assess and facilitate management of the injured individual in accordance with proper first aid management. Family members may participate in injury management as necessary but other players should maintain proper social distance.

GAME DAY ENVIRONMENT

- No more the 250 spectators per field are allowed. There is no limit per player, but please be respectful of other families to ensure the spectator limit isn't exceeded.
- All spectators are **required** to wear face covering.
- Families are to remain in their car until 5 minutes prior to kick-off and leave immediately after the game. Parents should not "huddle" and wait for players while the coach is providing final instructions after a game.
- Designated spectator areas (**facility map posted**) are identified.
- Failure to adhere to all posted signs and staff direction may result in removal from the facility.
- Social distancing on sideline (potential removal of benches).
- Team tents are permitted provided appropriate social distancing can be observed.
- No hydration stations or sharing of water. Players are **required** to bring own water/sports drink.

PWSI RTP – PHASE IV

EQUIPMENT:

- All equipment (e.g. balls and cones) must be maintained and cleaned.
- Players are required to bring their own equipment (hand sanitizer, water bottle, training, sunscreen, towels, etc.) such that no equipment is shared between players.
- Face mask use by players and coaches is not required but may be worn at the individual or his/her parent's discretion.

FACILITIES AND TRAINING GROUNDS:

- Restroom facilities may remain closed. Port-a-johns are available for emergency use. Apply hand sanitizer before and after usage.
- Other individuals in attendance (family members, for example) must stay away from the field and maintain at least 10 feet between other individuals in attendance and away from all fields and/or fences. Ideally, attendees will remain in cars.
- Player "bench areas" must be arranged in order to accommodate social distancing practices and may be removed as appropriate.
- Spitting is strictly prohibited.

PLAYER RESPONSIBILITIES & CHECKLIST

The player and family members must share in the responsibility to limit the risk of spread of COVID-19. As such, the following checklist should be complete prior to each training session until restrictions are lifted:

- Prior to training, check his or her temperature at home, and refrain from participation if he or she has a fever (≥ 100.4 degrees F).
- Players are required to bring their own equipment (hand sanitizer, water bottle, training, sunscreen, towels, etc.) such that no equipment is shared between players.
 - Players who fail to bring their own water will not be permitted to train.
- Face mask use by players and coaches is not required but may be worn at the individual or his/her parent's discretion.
