

OCEANSIDE ICE ARENA

PHASE 5 PROTOCOL – AUG 24, 2020

DO NOT ENTER ARENA IF:
YOU FEEL UNWELL OR HAD A FEVER, COUGH, SHORTNESS OF BREATH, ANY OTHER COVID SYMPTOM, OR TESTED POSITIVE FOR COVID IN LAST 14 DAYS

Oceanside COVID-19 protocol follows the guidelines, mandates, and orders of governing authorities. As a private business, it is the arena's right to strengthen protocols as necessary.

MASKS / FACE COVERINGS ARE CRITICAL

- Wearing a mask or cloth face covering is REQUIRED for ages 6+
 - Face coverings such as a bandana or gaiter are less effective but allowed
 - Valve masks and face shields are not effective and not allowed
 - Masks are mandatory in all off-ice areas in arena including locker rooms
 - Masks are mandatory on ice for coaches – optional for players and officials
 - Masks must be PROPERLY worn – mouth and nose covered
-

CAPACITIES AND RESTRICTIONS

- Youth Hockey capacity: 30 max on ice
 - Adult Hockey capacity: 24 max on ice
 - Entrance to arena allowed 30 minutes prior to ice time start
 - Must exit arena within 15 minutes of ice time end
 - Locker rooms are open – max 8 players per room – masks required
 - Showers are closed – vacate locker rooms within 10 mins for cleaning
 - CDC recommends that players engage in skills practice and drills only – scrimmaging and game play is higher risk
 - Physical distancing is required to the maximum extent possible, especially by players, coaches, and officials on the ice and on the player bench
 - All players must use OWN water bottle – do not share bottles
-

CLEANING BETWEEN EVERY EVENT

- Benches, locker rooms, and high touch areas are cleaned between every event and regularly throughout each day
- Entire arena is cleaned by professional cleaning crew nightly
- Locker rooms are sanitized by pro-grade SaniSport VE machine weekly

PLEASE - Follow all arena rules and regulations including posted signage and verbal and written instructions from Oceanside staff -THANK YOU- Adam.Mims@oceansideicearena.net
