

## ***Become a Host Family for a Minnesota Loon!***

The Minnesota Loons Hockey Team is looking for YOU to join their Team!

Becoming a Loon housing family is a great way to become involved in the community. Housing families are essential to the Loons organization and its players. It is a great opportunity to help a young athlete achieve his dreams. The young men who come to the Lakes area to play junior hockey are required to live with area families. This policy has been adopted to create a home-like setting for these young men, many of whom are away from their own families for the first time. Households are reimbursed for their expenses when they participate in this housing program.

### HOUSING FAMILY REQUIREMENTS:

- Desire to support the Loons program
- Live within a reasonable distance from Breezy Point Sports Center
- Demonstrate well-balanced, family-oriented lifestyle
- Provide physically comfortable housing and a supportive environment for our hockey players

### HOUSING FAMILY BENEFITS

- A monthly housing stipend of \$250 to help offset costs
- Two free season tickets per player housed
- 10% Merchandise Discount
