

Welcome to our remote umpire classroom series. This is a video series intended for supplemental instruction on mechanics for those who otherwise haven't attended our clinic series and as a refresher regardless of experience.

Your knowledge of the rules is paramount too. Mechanics and rules go hand in hand, so commit yourself to learning those just as thoroughly as the mechanics.

> The resource for all remote learning is here: (click below for all)

Rules, Mechanics and More!

> For beginner umps, learn and understand these (6) topics:

1) Five Mistakes that Beginner Umpires Make;
