

Second Skill Station Evaluation Skate

* Second Skill Station Evaluation Skates may take place at either the Glenn Hall Arena (GH) or the Tri-Leisure Complex (TLC). Please follow the facility COVID procedures that will be emailed to you prior to the skate.

* Please note that your Division Director will be reaching out to indicate in which group your child is skating. As registrations are still coming in, please be patient & wait to hear from your Division Director.

* The letter beside each grouping is no indication of skill level, it is only used for our scheduling & tracking purposes.
