

Full Throttle Basketball Event Protocols

1. Game/Court Procedures
 - **Players and coaches enter facility 30 minutes before their game time**
 - Teams are asked to leave following their game and not hang around the courts and watch other teams
 - Players and coaches will receive temperature check before entering court
 - Players and coaches leave the building immediately following their game
 - Game balls will be sanitized at the score table before tip-off, during timeouts, half-time and game breaks
 - Extra time between games to allow cleaning of benches and team area
 - Team benches and scorer's table will be cleaned regularly throughout the day
2. Spectator Access and Limits
 - **Spectators will be asked to enter no more than 10 minutes before game time**
 - Spectators will be directed to leave the building immediately following their game
 - Fans will be asked to spread out and social distance along the whole distance of the court and end-lines when possible
 - Spectators are recommended to wear masks especially when in groups
3. Full Throttle Basketball Staff
 - Staff will be assigned to the main facility areas (courts, lobby, concessions) to monitor player, coach, and spectators following basic social distancing measures and facility guidelines
 - Full Throttle Basketball staff will be required to wear masks
4. Other Attendees
 - Media members can attend by pre-registering through the tournament director
 - High school coaches can attend by showing TABC card
 - College coaches can pre-register or check-in at the door (if applicable)
